WORK EXPERIENCE

Adventus IT Services Philippines Inc. (Internship)

July 2025

- **Hardware Diagnostics & System Configuration:** Conducted comprehensive User Acceptance Testing (UAT), hardware troubleshooting, and system upgrades (including Windows 11 Pro 24H2) to ensure IT units met strict quality standards prior to redeployment.
- **Asset Management & Technical Documentation:** Managed end-to-end IT asset retrieval and inventory control, maintaining high accuracy in tracking logs, and created detailed multimedia technical documentation for platforms like SharePoint.
- **Client Communication & Team Leadership:** Mentored incoming interns on operational best practices, collaborated effectively with UAT and Retrieval teams to fulfill a 500-hour training requirement, and provided consistent technical support and status updates to clients.

NTEK Systems Inc. (Internship)

February 2026

- **Quality Assurance & Strategic Analysis:** Conducted comprehensive market research, competitor analysis, and user experience testing for the GIG Market iOS application to ensure optimal performance and gather actionable business insights.
- **Digital Marketing & Multimedia Production:** Designed and edited digital marketing assets—including Canva posters, ad videos, and engaging social media captions—to enhance brand visibility and support business development initiatives.

Mamalo Group of Companies (Part-time)

January 2026

- **Financial Reconciliation & Reporting:** Executed high-volume data entry and reconciliation of financial logs across multiple medical business branches into cloud-based systems, maintaining strict 100% accuracy (Google Sheets).
- **Revenue Tracking & Transaction Management:** Computed and categorized diverse transaction types—including gross sales, operating expenses, and multi-channel payments (GCash, iCare, and card)—to ensure rapid and precise financial tracking.
- **Visual Communications & Event Marketing:** Designed professional presentation materials for corporate general assemblies and created engaging event invitations to support internal communications and company-wide initiatives.
